Mid-Michigan Big Brothers Big Sisters Mission Statement:

“To provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever.”

Dear Friends:

We are so proud to serve the children of the Mid-Michigan area with Big Brother Big Sister programming. We are a full affiliate of Big Brothers Big Sisters of America and use their proven Service Delivery Model for our processes.

We provide one-to-one mentoring for children age 5-18.

We served over 100 children and their matches in 2018.

We conduct extensive background clearances to all volunteer applicants.

We provide initial and on-going training to all volunteers.

All participants are provided with on-going support and coaching by degreed professionals.

We are now a regional agency serving children in seven counties.

There are advisory councils for our programs of BBBS of the Lakes, Meceola, Gratiot and Montcalm to help maintain local sentiments. The following is an overview of Mid-Michigan BBBS income and expenses for the fiscal year ended December 31, 2018.
